CASE Real Estate Advisory

10 T 799 UA

ABOUT THE PROJECT

A standalone open-plan building

1 855,0 m²

leasable area (GLA)

2 299,0 m²

gross building area (GBA)

5 levels

basement + 4 floors, lift

12 spaces

parking: 6 underground + 6 surface

The building is in its final stage - facade and interior finishing works are underway. Site visits by arrangement.

All floors are open plan: columns on a 5 950 × 7 150 mm grid and the lift core only, no internal partitions. Each floor plate can be subdivided to the tenant's brief.

Use cases

Clinic

floors 1-3

An established medical cluster nearby: Sinomed MD International Hospital, the regional oncology center and the republican medical college within ~1 km. Open plan lets you lay out consulting and diagnostic rooms to licensing requirements.

Training center

floors 2-4

A 395.6 m² floor plate with no partitions divides into classrooms of any size. Parking for staff and easy drive-in access for students.

Office

floors 2-4 or the whole building

A headquarters with your own signage on the facade. One floor - one company, no corridor neighbours.

Service / showroom

floor 1 and basement

First line, floor-to-ceiling glazing on the ground floor and parking at the door - a format for a showroom or service business whose clients arrive by car.

Deal scenarios

Lease

Flexible-use premises for offices, clinics, training centers or services. Terms are discussed per unit - area, duration, entry conditions.

Purchase

Individual floors or the entire building are available for purchase.

Lease with option to buy

We also work on a combined basis: enter as a tenant, decide on purchase later. Terms are structured around your specific situation.

LOCATION

Old city center, first line

**31 Taxtapul Street, Shaykhantahur district,
Tashkent**

BY CAR

Tashkent City	~ 12 min · 4.5 km
City center (Amir Temur square)	~ 13 min · 5.2 km
Islam Karimov International Airport	~ 31 min · 14.9 km
Small Ring Road access	adjacent

For reference: Gafur Gulom metro station - a 25-minute walk (1.8 km).
Coordinates: 41.338889, 69.263403

Nearby is an established medical cluster: Sinomed MD International Hospital, the regional oncology center and the republican medical college (~1 km). Within 1-2.5 km - the Minor Mosque, Navruz Park, and the Crowne Plaza, AZIMUT and Radisson Blu hotels.

First line of Taxtapul Street, the Small Ring Road access is adjacent. Built for clients arriving by car: parking at the door and an underground level.

VISUALISATIONS

Exterior

Floor-to-ceiling glazing around the perimeter, a rooftop terrace with a pergola and evening architectural lighting. The facade provides space for the tenant's signage - the building works for your brand visibility.

The building is in its final stage - facade and interior finishing works are underway. Site visits by arrangement.

All images are project visualisations and do not constitute a public offer.

TAXTAPUL

Shall we discuss your format?

We reply within the day - area, term, entry terms.
